Grow your business in 4 easy steps. 📈  
<https://t.co/hnLXb9an0g>

**GROW YOUR BUSINESS**  
*in four easy steps*

- 1** Plan the Growth Groundwork. On the front end, sustained development involves a massive amount of effort.
- 2** Do Your Research. Growth isn't something you decide to do. It's all about your marketing strategy.
- 3** Grow Your Operation. It's time to scale up your business so that it can keep up.
- 4** Keep It Together. Growing your business is a time-consuming and intensive operation.
